Welcome,

Please complete all of the attached forms and return to Student Health Service by July 1, 2015. If you are participating in summer research and will arrive before August 3rd, please return all forms at least two weeks prior to arrival.

According to Washington University School of Medicine (WUSM) Student Health Service policy, Occupation Safety and Health Administration (OSHA) regulations, Centers for Disease Control and Prevention (CDC) guidelines, and Joint Commission Accreditation of Healthcare Organizations (JCAHO) standards, all WUSM medical degree-seeking students must meet the following requirements as a condition of enrollment. WUSM students who do not complete these immunization requirements will not be able to attend classes. Please follow all of the instructions found on the forms. Your Health Care Provider will be able to complete the forms to ensure all requirements have been met.

As a full-time WUSM student, you will be automatically enrolled in the mandatory university-sponsored Student Health Benefits, Dental Plan and Life Insurance. For a description of your benefits please visit our web-site http://wusmhealth.wustl.edu/students/. We require that all incoming students provide proof of key immunizations and immunity. After reviewing the attached forms, if you have any questions we welcome your email or call.

Forms only need to be submitted via one of the following methods:

**Email (preferred):** Scan and email completed forms to StudentHealthServiceMedicationDispensary@wusm.wustl.edu. Ensure the address is entered correctly, so your health information does not go to the wrong address.

If you are unable to send completed forms via email:

- **Fax:** 314-362-0058
- **U.S. Postal Service Address:** Washington University School of Medicine Student Health Service, 660 S. Euclid Avenue, Campus Box 8030, St. Louis, MO 63110.
- **FedEx Address:** WUSM Student Health Service, 4525 Scott Ave, Suite 3420, St. Louis, MO 63110.
Please see the instructions for completing the attached documents below.

I hope you have a safe and healthy summer.
